# EMPOWERED THREADS: YOUTH INNOVATORS PROGRAM

Where Creativity Meets Leadership and Innovation

The **Empowered Threads: Youth Innovators Program** is a transformative STEAM initiative by the Platinum Reine Foundation, designed to empower all youth aged 11-18 through the integration of art, technology, and innovation.

Running from September to November, this program inspires young creatives to explore innovative solutions to real-world challenges while fostering leadership, collaboration, and a sense of belonging.

This program stands apart as a unique dynamic platform where youth can explore innovative solutions to real-world challenges, build confidence, and ignite their passion for creating meaningful change in their communities.

# Transforming Leadership, Inspiring Innovation, Driving Change

---

Designed for youth aged 11-18, this unique hybrid leadership experience aims to inspire and equip the next generation of changemakers. The program focuses on building skills and confidence necessary for personal and professional success in art, technology and innovation.

- Youth Category:
  - Mighty Innovators (Ages 11-13): Introducing foundational skills in leadership, creativity, and innovation.
  - Future Innovators (Ages 14-18): Advanced training in STEAM disciplines, entrepreneurial thinking, and problem-solving.

## INNOVATIVE. EMPOWER. EXCELLENCE.

- **Leadership Development Workshops:** Build confidence, teamwork, and decision-making skills.
- **Creative Innovation Labs:** Hands-on sessions combining art and technology to create impactful projects.
- **STEAM-Based Entrepreneurship Training:** Learn how to turn creative ideas into feasible solutions with business planning and marketing.
- **Shadowing and Mentorship Opportunities:** Collaborate with industry experts and community leaders to refine your vision.
- **Community Impact Projects:** Showcase innovative solutions in a final presentation event, addressing social challenges and inspiring change.

**Empower the Next Generation with Empowered  
Threads: Youth Innovators Program.**

Register them for the upcoming fall program.
