Transforming Tomorrow's Leaders Today

Designed for girls aged 11-18, this unique hybrid leadership experience aims to inspire and equip the next generation of female leaders. The program focuses on building skills and confidence necessary for personal and professional success.

- Youth Category:
 - Mighty Leaders - Girls from 11 years old to 13 years old in grades 6, 7 and 8 grade (middle-schoolers).
 - Future Leaders - Girls from 14 years old to 18 years old in grades 9, 10, 11, and 12th grade (high-schoolers).

INNOVATIVE. EMPOWER. EXCELLENCE.

- Interactive Workshops: Focus on confidence building, teamwork, strategies, problem-solving, and goal-setting.
- Monthly Sessions: From June to August, integrating real-world leadership examples, team projects, and discussions.
- Mentorship: Guidance and inspiration from experienced female leaders.
- Leadership Challenges: Opportunities to participate in community projects, fostering responsibility and empowerment.

Youth leaders require early exposure to leadership development to build essential skills and confidence. Our program fosters self-awareness, collaboration, and goal-setting, setting young women on the path to success. Register them for the upcoming summer program.

Join Us This Summer!

WHY CHOOSE OUR PROGRAM?

- ✓ **Empowerment:** Equip young leaders with the skills to lead with confidence and purpose.
- ✓ **Innovation:** Integrate real-world projects into leadership development for a modern approach.
- ✓ **Community:** Connect with like-minded peers and mentors who inspire growth.

What You'll Gain:

- Leadership Skills
- Personal Growth
- Networking Opportunities
- A Certificate of Completion

Program Success Metrics

01

Goals

Impact 15-20 youth during the summer months, by first year.

02

Enrollment Growth

Double the number of participants year over the year.

03

Skill Acquisition

Assess leadership skills development through participant projects and presentations.

04

Community Impact

Measure the impact of youth projects on local communities, aiming for positive feedback from community partners.
